

# AUSTIN J. SIMPKINS

## GROWTH ORIENTED MARKETING PROFESSIONAL

Mission oriented, digital marketing and strategist, with 4 years of experience and a proven track record of assisting marketing teams initiatives from end-to-end to achieve new levels of success. Key skills include: marketing automation systems, lead nurturing, content marketing, email marketing, social media, and web design. Experience with working in a collaborative teams approach, yet able to work independently when needed. Communicates effectively at all levels with clients and colleagues alike and thrives on responsibility and challenges.

## EXPERIENCE

### SELDAT DISTRIBUTION, INC. & BLU LOGISTICS

#### USA Product Marketing Strategist

Marketing and development strategist collaborating with cross functional, international teams to bring a profitable portfolio of 3PL products and services to market on time and on budget that address customer needs and evolving industry dynamics.

- Collaborated with the Blu's global marketing and sales teams in LATAM to make informed marketing decisions that would benefit the wider company and optimize resources.
- Supported the sales team including the following activities but not limited too: SalesForce, lead research, go-to-market collateral, sales material, and competitive intelligence information to drive demand and enable sales team initiatives.
- Strategize and develop digital marketing strategies that align with the wider Blu organizations goals and future outlook.
- Research and development of new customer on-boarding process (utilizing HTML, CSS JavaScript, Node.js).

#### Product Marketing Strategist

- Accountable for marketing activities covering warehousing, distribution, fulfilment, transportation, cold chain logistics, last mile delivery, staffing (recruitment process outsourcing), customs brokerage, and international freight forwarding
- Create customer-facing messaging to clearly communicate the benefits and features of each supply chain solution
- Organize and develop content, activities, and scheduling for company-wide global sales conferences and targeted training events
- Conduct competitor analysis and market research to better understand the industry landscape
- Generate content marketing assets to increase brand identity and awareness
- Develop go-to-market collateral, sales material, and competitive intelligence information to drive demand and enable sales team initiatives
- Launch new websites and redesign legacy sites to build the ongoing relationship with customers and prospects
- Create email and social campaigns to drive awareness and provide MQLs to the funnel
- Increased web traffic 56%+
- Increase lead conversion rate 34%+
- Ad hoc projects as assigned by senior management
